Children's Summer Camp 2025

26th July – 5th August 2025

CC Camp, Colin Godman's Farm, Perryman's Lane, Furner's Green, Uckfield, TN22 3RR

Information Sheet – please keep this page. You will need it again! Further information about camp is on the application form. Please make sure you have read this thoroughly too.

Colin Godman's Farm is a biodynamic farm in the beautiful Ashdown Forest near Forest Row in Sussex. It is 3.5 hrs by car from Stroud. The nearest train station is Haywards Heath (20min) and the nearest airport is Gatwick (30min).

The camp begins at 15⁰⁰ on the 26th of July with registration at the farm-yard. Please be punctual!

On arrival at Colin Godman's Farm, you must please check your child in and settle any outstanding payments and forms. The plan is for the children to play games all together as they arrive, before a short walk. After circle time with songs, the children will find out their groups and make their way to their group tent to unpack before supper. Please have sunhats to hand as they will be needed on arrival.

If you need to contact us during the camp, you can contact one of us on our mobile phones. **(See numbers below)** Mobile phone reception is sporadic on the farm so where possible we would prefer to use texts. We will make a point of going to a place of better reception at least every day to pick up and respond to messages. Children really love getting post at camp and will happily send letters too. Please write to them at the above address if you can; all the children ask 'have I got post?' very regularly.

COST: 1st child - £420.00, 2nd child - £320.00, 3rd child - £220.00

Application forms should be filled out online as soon as possible. Payment (cash or cheque made to: The Christian Community) should be sent FAO Muriel Chivers at The Christian Community, Stroud.
